Phone (303) 794-9505
Fax (303) 736-6767

Welcome to our practice. There are six documents in this section including this letter. Two, titled *Privacy Practices* and *Colorado Mandatory Disclosure Education* are for your information only. The other three documents titled, **Billing Policy Agreement, Patient Information and Comprehensive Acupuncture Intake** are to be completed prior to your appointment and brought with you to your appointment.

Our Clinic address is 3470 S. Sherman St. #1, Englewood CO 80113 for entry into <http://www.mapquest.com> or <http://www.googlemaps.com>.

Thank you for choosing Acu-Choice Health Care as one of your health care providers. We look forward to helping you resolve your health issues. Our services include Acupuncture, Allergy Treatments, Pain Relief, Nutritional Consulting, Herbs, Ionic Footbaths, Bio Impedance Analysis, Massage, and other therapies. Dr Chew will work with you and with your other health care providers to determine the best treatment for you.

Again, to make the most of your appointment time, please complete the forms in advance. Because Dr. Chew treats general well being in addition to specific issues and health conditions, new patient appointments tend to be longer than return treatment appointments. Please plan to spend approximately an hour and forty five minutes in our office for your first appointment and forty five minutes for your return appointments.

If you need directions to Acu-Choice or have questions; please contact our office at the above number. Please give our office a twenty four hour notice if you need to change your appointment time. We look forward to working with you and resolving your health issues.

Sincerely,

Patti Farmer

Office Manager
